Statement of Grounds for Recall

John Gunter should be recalled from his elected office as mayor for committing Misfeasance (1) and Malfeasance (2) as described below:

(1) John Gunter violated **Florida Statute 112.311 (6)**

John Gunter has repeatedly voted against the people: approving a self-serving stipend adding to city council salaries that would increase his personal pay without going to the voters for approval & approving destruction of the beloved Jaycee Park on land acquired and intended for public open space park not a permanent food service and revenue generator & approving use of land acquired for conservation habitat and passive recreational trails at Yellow Fever Creek Preserve for a city water storage and pumping facility plant instead of conservation by amending the comprehensive plan.

(2) John Gunter violated **Florida Statute 286.011** (The "Sunshine" Law)

On March 25th, 2025, John Gunter intended to violate Florida's Sunshine Law insisting members of the public were not welcome at a public meeting telling councilmember Kaduk "This isn't bring your friends to work day". and Kaduk relayed that "The mayor doesn't want you in our meeting."
